

**WHITECAP**  
Technologies, Inc.

**WHITECAP IS HERE TO ASSIST YOU.**

**We're passionate** about connecting people with business technology.

**WHO WE ARE**

**TECHNOLOGY CHANGES FASTER THAN YOU ANTICIPATE.**

Technology infrastructure and telecommunications management can be a frustrating experience for many businesses. From landlines to mobile devices, desktop to cloud, dial-up to gigabit, we've helped our clients navigate seismic shifts in technology while keeping them connected to their staff and improve overall customer experience.

**TAKE THE COMPLEXITY OUT OF BUSINESS COMMUNICATIONS.**

Business owners, Corporate-Level Executives, and IT managers all rely on WHITECAP to streamline their business communications technology into a single point-of-contact. We help mid-size to large corporations strategize, select, and deploy solutions that help them regain valuable time and resources, resulting in increased efficiency, productivity, and ultimately, profitability.

**Our areas of expertise and experience include:**

- Cloud offerings
- Telephony
- Security strategies
- Computers/hardware
- Networking solutions
- Mobility management

**THE RIGHT TEAM. THE RIGHT TELECOM OPTIONS.**

WHITECAP's efficiency, energy, and expertise allows us to excel at matching the proper technology to your specific needs. No matter the scale of the project, our team delivers peace of mind and the most advanced tools available to maximize your business' success.
